Due to variations in monitor settings and color balances, color are representative only and should not be construed as an exact color match of the listed product.
En raison des variations dans le réglage et dans la balance des couleurs de chaque moniteur, les couleurs ne sont pas représentatives et ne peuvent pas être considérées comme une véritable référence du tissu. Debido a las variaciones en los ajustes y balances de color de cada monitor, los colores son sólo representativos y no pueden ser tomados como una referencia fiel del tejido.
